Dear Sandra,

I'll never forget the good times we had together, the bad times too. We always overcome our small disagreements. Sandra, I still think an awful lot of you, even if the girls don't care to much for me anymore and you are with them in the way that you're in the same gang, I still think you're a swell person and loads of fun. Stay that way no matter what happens concerning anything.

Loads of duck to you
and yours

THE ADMINISTRATION

We are grateful to the men pictured on this page for making our high school days so pleasant and profitable.

Our administrators have guided us in the ways of good citizenship.

The superintendent, his assistants, and the Board of Education have given their enthusiastic support to all our endeavors.

To these men we express our sincere appreciation.

and John Davies.

Informal poses of these Lew Wallace teachers reveal the ways they spend some of their time during school hours and after school hours. They occupy their time with school and social activities. Teachers will long remember the PTA operetta, the gaiety of extra-curricular activities, the seriousness of the orators, the pleasure of math, and the fun of vacations.

In our senior year we took part in many activities and we did all kinds of things. We had College Day, corsage sales, stag dances, coke parties, debates in economics, locker discussions, Picture Day and Class Day. It was fun all the time, but of course, we studied too.

SENIOR CLASS HISTORY

Our senior year was a busy one. Led by Bob Davies as president, Joanne Lasky as vice-president, Loraine Zandall as secretary, and Steve Locke as treasurer, we completed many projects. We had the very first Homecoming celebration in the history of Lew Wallace. Our senior activities kept us hopping, but we loved every minute of it. There were things like the Senior Reception, Washington Trip, Trips to the Mills, the Prom, Convocation, Baccalaureate and last of all the happiest and yet the saddest day of our lives, Commencement.

Looking back over those wonderful days, we remember the great thrills we had as freshmen. It was decided back in 1950 that whatever we did, we would do it in a big way. That's why Don Strimbu was elected president; Charles Ventura, vice-president; Joanne Baker, secretary; and Don Doneff, treasurer. Our first year was highlighted by our dance, The Freshman Swirl and the class play, INDIAN CAPTIVE.

As sophomores we had the feeling of being "upper-lower classmen." That year we were led by Peter Plazony, president; Dorothy Kouvelas, vice-president; Roberta Mattingly, secretary; and Sam Uzelac, treasurer. We had a wonderful time at the Icicle Spree. Then we were looking forward to our junior year.

The year '52-'53 was the year the fairer sex led the class. The girls elected were Roberta Mattingly, president; Donna Pearman, vice-president; Alice Goodpasture, secretary; and Peggy Coady, treasurer. The prom was something out of a dream and, as juniors, April 24, 1953 was the "Lovliest Night of the Year."

JUNIOR CLASS HISTORY

"Only one more year to go!" Three years ago, the class of '55 began their freshman year by electing James Tarpo, president of the class; James Fattore, vice-president; Carolyn Smith, secretary; and Sandra Jackson, treasurer. The Snowball Jamboree, the freshman party, was a big thrill to all the newcomers in high school. Their play, MEET ME IN ST. LOUIS, was enjoyed by all who saw it.

As sophomores, the fellows and girls decided they wanted an all male cast to lead them. In doing so, they elected Walter Smoot as president, Tom Kennedy as vice-president, James Morrone as secretary, and James Fattore as treasurer. The sophomores enjoyed their dance, Sophomore Frolic, which was held on a cold winter night.

This year the class of '55 became upper classmen. They chose Robert Spolyar, Joe Allegretti, Judy Anderson, and James Morrone to take the positions of president, vice-president, secretary, and treasurer. The most exciting night of the year was the prom. It climaxed a year full of fun and treasured memories on May 7.

The class of '55 hopes to make the most of their senior year and we are sure it will be the best.

Our junior year was filled with fun. Besides all the school activities we took part in, we had time for many parties, loafing at the beach, eating anything that was eatable and just posing for pictures. These pictures will remind us of all the things we did during our junior year.

Scott Polizotto, President

Dick Fox, Vice-president

Charlesa Skolds, Secretary

Bill Purcell, Treasurer

SOPHOMORE CLASS HISTORY

Julius Caesar, Silas Marner, and geometry — those are the things through which this year's sophomore class struggled. The hours the sophomores spent studying brought fine dividends, as is shown by their outstanding record.

Starting high-school was a new experience to them. They waded through assignments, worried about the things all freshmen worry about and showed good taste when they elected their class officers. They chose Charles Brown as president, Guy Camarata as vice-president, Karen Wortley as secretary, and Beverly Edwards as treasurer.

Activities during their first year in high school included Cupid's Capers, their freshman party, and the annual freshman play, BEST FOOT FORWARD. These activities will always be ranked tops on their school memory hit parade.

As the class advanced from freshmen to sophomores they continued their fine record by choosing Scott Polizotto as president, Dick Fox as vice-president, Charlesa Skolds as secretary and Bill Purcell as treasurer of the class. The climaxing activity of their second year in Lew Wallace was their Sophomore Hop, which as in preceding years, was a tremendous success.

We can truly say that the class of '56 is on their way!

FRESHMEN CLASS HISTORY

Each year Lew Wallace opens its doors wide to admit a new group of freshmen. They are about to cross the threshold that leads them into four years of high school life. A new horizon lies before them; one which includes work, study and a great deal of fun!

This year's energetic freshmen class started its high school career with flying colors by electing a fine and capable group of officers who have led them through their first year. The class of '57 chose Don Hannah as president, Jay Moore as vice-president, Jackie Mattingly as secretary, and Carolyn Dawson as treasurer.

Various activities provided the freshmen with a chance to lose that "freshman feeling" and get into the swing of things. Girls' Club sponsored Freshman Week, which included an Activity Day and Big-Little Sister Sock Dance, giving the Freshies an opportunity to discover the many clubs and get better acquainted with the upper classmen. The annual freshman party was also another unforgettable event.

The class of '57 had many hidden talents as the Freshman Play, CHEAPER BY THE DOZEN, proved. This play brought the curtain down on their first year in high school.

ACTIVITIES

STUDENT COUNCIL

"We are at your service, always!" This is the motto of the Student Council.

If you have a suggestion, an idea, or a criticism, take it to room 112. The Student Council holds its weekly meetings there every Wednesday. Officers and representatives from each homeroom meet under the sponsorship of Mr. William Vorwald, and try to carry out suggestions, and ideas which might promote the growth of Lew Wallace!

"Homecoming" was one Student Council event which highlighted the year! Other projects carried out by the Student Council are the Inauguration, the S.O.S. Humanity Drive and the Inaugural Ball. The council members help maintain hall order, they promote friendly relations between schools, and they also sponsor stag dances.

Activity Day is the biggest project for it gives recognition and reward to all students who have helped promote school interests.

GIRLS' CLUB

"A woman's work is never, never, done." How well our Girls' Club knows this to be true. The council and officers hold weekly meetings and discuss their many projects.

Every girl in high school is a member of Girls' Club and may participate in all of its yearly activities.

Among their projects this year was the annual Freshman Week, which included the popular Sock Dance. The annual Christmas Corsage Sale, the Senior Reception, the Sing, the Birthday Potluck, the Suburban Girls' Club Conference and the annual spring turnabout dance are just a few of the outstanding events.

Girls' Club also sponsors mass meetings during the year to bring all the high school girls together into one group. The meetings are often devoted to "girl meet boy" subjects.

They are now ready to enter into the many experiences which are ahead of them.

SENIOR HONOR SOCIETY

Scholarship, leadership, character and service are the high qualifications one must have to become a member of the Senior Honor Society. Members are chosen from the upper ten per cent of the eleventh and twelfth grades.

With Miss Shirley Bryan as a new sponsor the club's main activity this year was the very impressive candlelight induction. This is one of the most dignified ceremonies held at Lew Wallace.

JUNIOR HONOR SOCIETY

The qualifications and standards set by the Junior Honor Society are extremely high. The members must excel in the roles of citizenship, leadership and initiative.

The students that maintain a B average and meet the qualifications of the society are inducted in a candle light ceremony sometime during the second semester.

As its principle activity, it sponsors the orientations of the grade school children.

Miss Angela Hannagan is the sponsor of the club.

To promote an interest in Latin and to acquaint the members with the life and customs of the Roman people are the chief purposes of the Olympians.

One activity of the club is the initiation party, at which the new members partake of nectar and ambrosia, the food and drink of the gods.

The Saturnalia or Christmas party is another event. An important activity is the participation in the city wide Latin Conference held at a different Gary school each spring.

OLYMPIANS

SPRENCH CLUB

Spanish and French students who are interested in promoting good speaking habits in their chosen language field form the nucleus of the Sprenc Club. Sponsored by Miss Eloise Brooner, the members learn first hand information about the customs and people of Mexico and France.

Their many activities usually include the worthwhile project of helping a war orphan. They also have annual initiations, a stag dance, and a June beach party.

INKPOTS

The purpose of Inkpots is to foster an interest in creative writing by helping students develop their abilities in writing. The Inkpots, sponsored by Miss Leora Connors, meet once a month in the evening for both literary and social purposes.

Each year, in addition to the customary picnics, initiation parties, and trips to see stage plays, Inkpots hold their annual banquet in honor of the graduating seniors.

AUXILIA

Auxilia, the library club of Lew Wallace, meets for regular meetings once a month, but the members spend many hours every week working in the school library under the direction of their sponsor and librarian, Mrs. June Miller.

During Book Week in November, the members visited the Book Fair held at the Museum of Science and Industry in Chicago.

The social events include a Christmas party, a pizza supper, a picnic, and the annual May Tea.

"Say, I hear Klub Kem is perfecting a Hydrogen Bomb!" In Klub Kem, potential chemists meet twice a month with their sponsor, Mrs. Helen S. Mackenzie. Whether they are making cold cream or fire crackers, they are striving to maintain the purpose of Klub Kem which is to develop good chemists. Other projects of the club include a field trip to the Museum of Science and Industry, a Christmas party and a spring picnic.

BIOLOGY CLUB

A science club extremely popular with the Freshmen and Sophomores is the Biology Club. The chief purpose of the club is to further interest in plants and animals by observing movies, listening to lectures, and going on field trips.

The Lew Wallace Biology Club is a member of the Junior Academy of Science Association. Annually, two delegates are selected to attend the meetings of this organization.

Each year the club, sponsored by Miss Lola Lemon, presents the Audubon Screen Tours in addition to their many other activities.

Look at that picture! Right here at Lew Wallace there are 71 girls who are members of the F.T.A. They are all striving to become teachers of the future.

F.T.A.

The main purpose of this club is to help the high school students decide for themselves whether their goal in life is to become a teacher. They learn by exposing themselves to school environment, studying the teaching field, and by attending various teachers' conventions and colleges. The only requirement for membership is an interest in teaching as a career.

Yearly the F.T.A. sponsors many activities. Included in these are the candle light initiation, a dance, and the spring picnic.

DRAMA

Stage poise, correct speaking, willingness to work long hours and an intense love of the drama are qualities for membership in the Senior Drama Class.

During the year there is a considerable amount of producing, directing and presenting plays, by, for, and with the members of the class. When the houselights dim and the curtain opens, the students and their sponsor, Miss Beatrice Sandles, know the thrill of presenting a finished production to the Lew Wallace students and community.

AUDITORIUM COUNCIL

"May I show you to a seat?" "Seating in the balcony only." These are words frequently spoken by members of the Auditorium Council as they usher at all the different auditorium activities. Ticket taking and ushering in the auditorium are not their only activities. A potluck supper and a banquet usually are the social highlights of this club.

The Auditorium Council, sponsored by Mrs. Mattie Hannsz, celebrated its 20th anniversary this year. No auditorium program is complete without the services of the Council.

CONCERT BAND

The Lew Wallace band is under the direction of Mr. Eugene C. Teeter and Mr. John Simon, assistant director. The Concert Band participates in many events during the year.

They perform at all home football games, plus one out-of-town trip with the team. They also appear in four parades a year, and appear annually in the city-wide festivals during music week. A selected group plays for the pep meetings and many ensembles are formed for the Northern Indiana Solo contest each year. Each spring members of Concert Band give an annual formal concert.

ORCHESTRA

The Concert Orchestra is often called upon for school and public appearances. Many individual players study privately and enter solos each year in the Northern Indiana Solo Contest. Also, string ensembles of advanced players perform for many community organizations.

A formal Spring Concert is given each year which gives the members the experience of performing some of the standard classics as well as popular favorites. The orchestra is under the direction of Mr. Eugene Teeter and Mr. John Simon, assistant director.

MELODY MEN

The Melody Men are a group of high school students who started as a quartet eight years ago. They now have developed into a singing group of 24 boys.

The Melody Men sing annually at the Christmas Vespers and Pageant, the Spring Concert and the April Antics, which they sponsor. They also make numerous public appearances throughout the city.

A custom of the group is to give a needy Glen Park family a basket of food at Thanksgiving and Christmas time.

FORENSICS

The purpose of the Forensics Club is to stimulate an interest in good speech. The club, sponsored by Mrs. Mary Oppman, has no specific entrance requirements except that to become a member one must enroll in the 12:55 auditorium class.

Sponsoring the Calumet Student Congress, participating in High School Debaters' Conferences, and attending the Legislative Assembly at Purdue each year are among the Forensics various activities.

GLEE CLUB

Whenever the Lew Wallace Glee Club appears you can be sure of a good performance. All the girls in the Glee Club are interested in good music and singing. Glee Club members take an active interest in presenting the Vespers, the Senior Recital and the Spring Concert. They also take part in the commencement exercises each year by adding musical numbers to the graduation program. The Glee Club has been under the direction of Mrs. Emma Jacobson.

A CAPPELLA

To join A Cappella one must be able to do more than just carry a tune and sing do, re, mi's. (scale) As well as being interested in music, members must be willing to give of their free time. No one who is not a member of the group knows all the hours after school that go into the preparation of the numbers that A Cappella sings.

The choir, directed by Mrs. Emma Jacobson, sings at the Vespers, Baccalaureate and the Spring Concert.

AUDIO VISUAL

The purpose of the Audio Visual service is to help boys who are interested in motion pictures, slides, tape recordings, radio, T.V., and photography learn more about them. Audio Visual provides movies, slides, and tape recordings for classes.

The biggest project of this department this year was getting the radio station WGVE set up.

For the past few years the department has been responsible for all activity pictures in the Quill and Blade. The pictures in this annual were under the direction of Mr. Mitchell Gerbick.

RADIO – WGVE

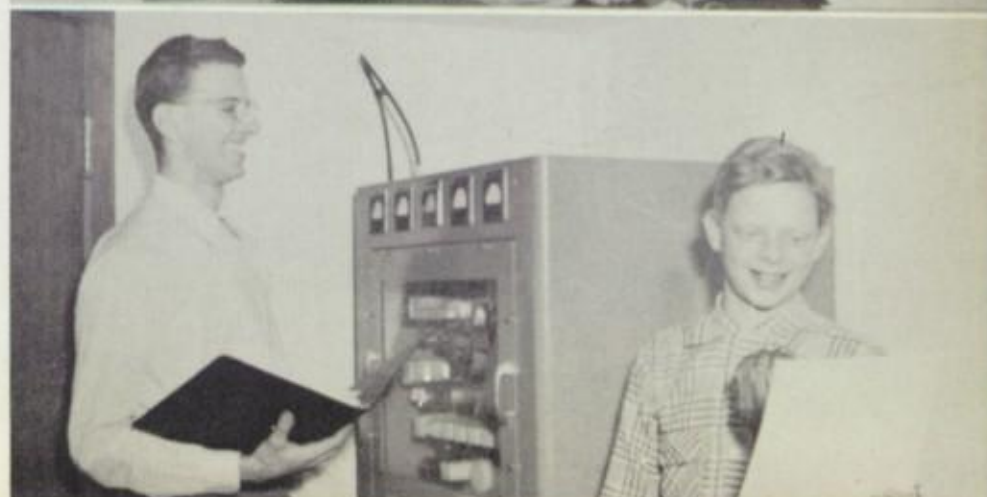

The call letters WGVE stand for Gary Voice of Education. We are indeed proud that Lew Wallace is one of the few schools in this area to own and operate its own radio station. Our well equipped station operates on a frequency of 88.1 megacycles, with a power of 10 watts as prescribed by authority of the Federal Communications Commission.

The national Association of Educational Broadcasts provides us with a tape network of programs in which all phases of education are included. The Purdue School of the Air, the Indiana School of the Sky and our own school productions furnish material for broadcasts.

The first two Lew Wallace boys to receive licenses to operate WGVE were Barry Brown and Jerry Svetanoff. The station manager is Mr. Mitchell Gerbick.

PATROL SQUAD

The Patrol Squad was first organized in 1929, by the Chicago Motor Club. It is headed by Mr. Everette Hartsough, safety teacher.

The membership of the organization is made up entirely of volunteers who wish to contribute their services to the school.

The main function of the squad is to protect the lives of the students. In spring or fall, hot or cold weather, the patrol squad is out on the job. We are deeply indebted to these boys for their faithful work.

STAGE CREW

The men behind the scenes here at Lew Wallace might well be the stage crew. Although they are never seen in front of the curtain, you may be sure that they are someplace on the stage or in the auditorium performing the innumerable services that are necessary to put on stage productions. Much of the spare time of these boys is spent keeping our Auditorium department running smoothly. They all deserve credit for a job well done.

QUILL AND BLADE STAFF

Club Editor, Torch Gruenberg; Assistant Editor, Sandra Jackson; and Picture Editor, JoAnn Wisner busy at work.

Editor-in-Chief, Dorothy Kouvelas, the holder of the one and only key to the cupboard which contained all the materials for the annual.

To a real sweet classmate. I sure hope you have better luck with the boys than I have had so far with the girls.
Bill Duvall

Mr. Mitchell Gerbick, Photographer and Mrs. Kathryn Welsh, Publication Staff Adviser.

There's never a dull moment when the work on the Annual gets under way. Every incident in and out of school suggests another page for the Annual.

The editor-in-chief is hounded by the eternal question, "What color is the Annual cover this year?" or "I want to change the spelling of my name so that it will look better in the Annual."

The assistant editor in charge of sports, runs around telling everyone, "Your copy was due this hour." or "This will have to be done over, and try to make it a little longer."

As the picture editor is leaving the room at a very late hour she is heard to remark that an editor's work seems to go on forever and the club editor nods in agreement.

The staff artist sits isolated all day. All that occupies her mind is the art work for the Annual.

The assistant sports editor has the photography department standing on their heads to get better shots of the team.

The class page editors are counting pictures and spelling names to each other and anyone who will listen.

After all their work, for which we are ever so grateful, the Photography Department is ready for a long vacation—anywhere.

At last, but by no means least, is the adviser who studies all the copy and rejects or accepts all the write-ups for the Annual. Now everyone is ready for a vacation.

Loretta Kosiba and Carol Joganic, Editors of 1954 Handbook.

Room 214M, commonly referred to as the Journalism Room, is generally open every day between the hours of 7 a.m. and 9 p.m. The students who keep these hours are perfectly sane; they are members of the publication staff who publish the *Philosopher*.

Here you will find the managing editor, Cookie Koss, busy making assignments. The page editors this year were Torch Gruenberg, Ruth Huffman and Jo Ann Trainer and they kept frantically busy cutting or lengthening articles to promote the best interests of the paper. The typists, Betty Lou Green and Dottie Kolczak, were kept busy three hours a day with the *Daily Bulletin* and staff typing that overwhelmed them. Eldon Collins, the cartoonist since '49 (seventh grade), was often seen sitting in a corner in search of a new idea. Amidst all this hustle and bustle Carol Joganic and Loretta Kosiba re-edited the new handbook and another publication was added to the year's activities.

It wasn't all work tho' — a lot of it is fun and most of all is the self-satisfaction the staff gets when the adviser says "Well done."

RESERVE FOOTBALL

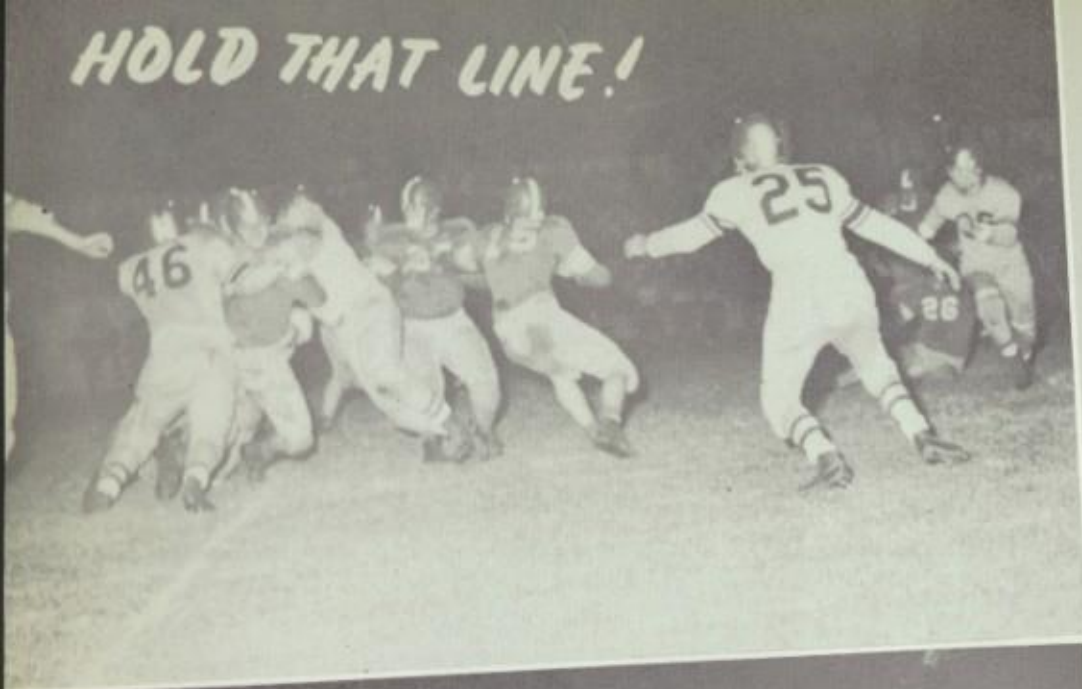

Our reserve grid team went through the season undefeated. Theirs was one of the best records in the history of Lew Wallace reserve football.

Coach Polly and Coach Black will be counting on some rugged players from this undefeated team to compose their varsity squad next year.

FRESHMAN FOOTBALL

The freshman grid team, under the direction of Coach Vern Charlson, fought their way through the season to a victorious ending. They compiled a record of 4 wins, 3 losses, and 3 ties, thus upholding the reputation of previous freshman teams.

HOMEcoming

Queen Alice Anne Goodpasture

Queen and Members of the Court—Alice Anne Goodpasture, Joanne Lasky, Shirley Gayda, Gerrie Stark, and Ruthie Huffman.

This year we experienced a new and memorable event. We had a Homecoming Celebration which lasted for three days. It opened on Thursday night with a bonfire and snake dance. The Homecoming Dance was held on Friday night and votes were cast for the Homecoming Queen. The candidates were Alice Anne Goodpasture, Joanne Lasky, Shirley Gayda, Gerrie Stark, and Ruth Huffman.

The Homecoming Game was played against Tolleston on Saturday night and the Hornets stung the Raiders 19-6. At half time, Alice Anne Goodpasture was crowned Homecoming Queen and our first Homecoming Celebration was brought to a successful close.

SWIMMING

The Hornet cindermen, under the direction of Coach Polk, moved outdoors in the late spring. The Hornets

competed in two team conference battles and area tilts. Relays which featured more than two teams were also on the schedule.

The season was concluded with the Sectional, Regional, and State meets.

BASKETBALL

Our Hornet basketball season was dominated by good team work, average ability and a determination to win or lose in a sportsmanlike manner. The record showed us completing the season under the .500 mark.

Facing such teams as Gertsmeier, Hammond, Washington and Gary Roosevelt brought about a season record of 8 wins and 12 losses.

One of the most active organizations at Lew Wallace is the Girls' Athletic Association sponsored by Mrs. Barbara Kaldahl. The main purpose of the club is to promote good sportsmanship and to provide social contacts. The annual initiation, pot-luck, banquet, and a turnabout dance are the main events of the year.

The Council consists of girls who have been G.A.A. members for at least one year and have earned their points faithfully each semester.

Volley ball and basketball make up two of the many major sports offered to the girls of G. A. A.

MAJORETTES

Left to Right:
J. David, N. Koches, D. Herceg, J. Lambert, M. Lazzaro, P. Gordon,
L. Broome, M. Teeter, L. Dunnam.

The Majorettes, sponsored by Mr. Eugene Teeter, play an active part in many of our school activities. They frequently perform during half-time at our football games and they participate in many of our local parades.

Left to Right:
Jeannine Kamm, Lynn Longstreet, Jean Murray,
Letitia Perrotta, Sandra Jackson.

"Winning or losing we will stand by you" — is the motto of our cheerleaders. The girls lead our fans and followers through the cheers at all Wallace games. They, along with the student body, support our teams faithfully, no matter what the score. They are trained and sponsored by Miss Angela Hannagan.

At athletic events the excellent cheering is accomplished by the teamwork of the student body and cheerleaders. It illustrates the good school spirit we have at Lew Wallace.

IN MEMORIAM

MISS HELEN EGGER

January 14, 1954

Dear Sandra,
 Well guess we've been together for the last
 5 years and we've never had a fight (a big
 one that is) I'll never forget all the laughs
 we've had together including the "turkey axe".
 Remember all the fun we had last summer?
 I know I'll never forget it. Don't forget
 about those boxes either. I'll never
 forget when you took me home
 that New Year's Eve. I wish
 you all the happiness in
 the world with the man you
 finally choose. I hope it
 is Jim because remember
 our bargain: a hillbilly
 and a hillbilly. You are
 the finest girl in this world as far
 as I'm concerned. I hope you'll
 always join me in a good old
 I.T.C. at Tommie's.
 and I'm sure you will. Best of luck
 to my favorite sister!
 Love always
 Santo

Death Is A Door

Death is only an old door
 Set in a garden wall;
 On gentle hinges it gives, at dusk
 When the thrasher call.
 Along the lintel are green leaves,
 Beyond the light lies still;
 Very willing and weary feet
 Go over that sill.
 There is nothing to trouble any heart;
 Nothing to hurt at all.
 Death is only a quiet door
 In an old wall.
